Pre-Paid Maintenance

MAINTAIN DRIVE

We hold ourselves to singular standards when building your Cadillac. It's the same standard we hope you'll hold your Cadillac to, and why we offer Pre-Paid Maintenance. An unprecedented vehicle should have unparalleled service.

Ask your dealer about Cadillac Pre-Paid Maintenance today.

TWO PLANS TO CHOOSE FROM

When you purchase Cadillac Pre-Paid Maintenance, your oil changes, tire rotations, and fluid top-offs are covered.

With the optional Cadillac Pre-Paid Maintenance Plus, the transmission fluid changes, transfer case fluid changes, and spark plugs are also covered in addition to the maintenance covered in the basic Cadillac Pre-Paid Maintenance plan, while air filters and fuel filters are covered exclusively on GM vehicles.

This is not a contract or agreement. The entire terms and conditions of the agreement are included in the Pre-Paid Maintenance Agreement. See your dealer for a copy of the agreement to review the full list of coverage, benefits, and exclusions.

CUSTOMIZABLE

We offer Pre-Paid Maintenance in conjunction with your vehicle's Oil Life Monitoring System. We realize different driving styles may require more frequent maintenance. Therefore, various terms and mileage options are available.

NO DEDUCTIBLE

If you purchase a Pre-Paid Maintenance plan, maintenance performed that is part of your Pre-Paid Maintenance will be completed at no cost to you. This includes Genuine GM Parts and labor associated with any maintenance covered under your selected plan.

FLEXIBLE

Cadillac Pre-Paid Maintenance and Cadillac Pre-Paid Maintenance Plus are available for your new, used, or leased Cadillac vehicle.

TRANSFERS AND CANCELLATIONS

If you decide to sell your covered vehicle, you can easily transfer your coverage to the new owner upon payment of any applicable transfer fee and completion of paperwork.

You can also cancel your agreement at any time, including when you sell your vehicle or if loss of vehicle occurs. If you cancel your agreement within the first 60 days and without any maintenance services redeemed, you will receive a full refund. If you cancel after 60 days or any maintenance services have been redeemed, you will receive a pro rata refund less any applicable cancellation fee.

CONVENIENT

While we encourage returning to the dealer where you originally purchased your vehicle, you will be reimbursed for covered maintenance services performed at any GM dealership.

You'll be able to keep track of any service performed, including mileage and the number of services available to be used, in the included service section of your Pre-Paid Maintenance Agreement.

See Agreement for complete details. Pre-Paid Maintenance coverage is provided and administered by AMT Warranty Corp., P.O. Box 927, Bedford, TX 76095, (877) 265-1072. AMT Warranty Corp. is a GM-approved provider but is not a related entity of GM or its dealerships.
