BESPOKE LUXURY AT  
ITS MOST TRANSCENDENT

A woman with long dark hair, wearing a white sleeveless dress and large gold hoop earrings, is seated in the driver's seat of a car. The car's interior is a vibrant blue, with blue leather seats and a blue dashboard. She is looking down at a small screen on the center console, which is also blue. Her right hand is resting on a silver-colored knob or button on the console. The background shows a blurred landscape with mountains under a warm, golden light, suggesting a sunset or sunrise. The overall mood is sophisticated and elegant.

A SINGULAR LEGACY  
DESERVES SINGULAR EXPRESSION

## DESIGN

One glimpse of its otherworldly shape and dramatic proportions announces a presence beyond bold, and a gravitas that defies imitation. Because each CELESTIQ is designed to stand alone as a unique work of art—as singular as the rare individuals destined to drive it. Where limitless personalization becomes the gateway to infinite possibility. And where every color, material and texture becomes more than a choice—but an extension of the owner's very essence. Because after all, CELESTIQ is more than a vehicle. It's the expression of a singular legacy in motion.

The image shows the rear passenger area of a car. Two large, dark blue leather seats with vertical stitching are visible. The headrests of these seats are equipped with integrated touchscreens. The car's interior is illuminated with a soft blue light. A large sunroof is visible at the top, and the front of the car, including the dashboard and center console, is visible in the background. The text "A MAGNETIC WORK OF HANDCRAFTED ARTISTRY" is centered over the image in a white, sans-serif font.

## CRAFTSMANSHIP

Every CELESTIQ is its own masterpiece—one demanding a level of hand-built, artisanal craftsmanship all but lost in contemporary automaking. Because when you set out to craft a vehicle of truly groundbreaking artistry, no detail is too small, and no ambition is too big. And so it's through the finest attention to detail and the most meticulous standards of quality and material that CELESTIQ's breathtaking grandeur is realized. All to result in beauty at its most bespoke.

The image shows the interior of a luxury car, likely a Cadillac Celestiq, with a vibrant blue leather steering wheel and matching interior accents. A wide, panoramic digital display spans the dashboard, showing a music player interface with the song 'Gossamer Blue' by 'Mosses & Mosses'. The center console features a large, vertical touch screen and a rotary gear selector. The background, visible through the windshield, is a scenic view of mountains at sunset or sunrise, with a warm orange and yellow sky. The overall atmosphere is one of sophisticated technology and elegance.
