BESPOKE LUXURY AT  
ITS MOST TRANSCENDENT

A woman with long dark hair, wearing a white sleeveless dress and large gold hoop earrings, is seated in the driver's seat of a car. The car's interior is a vibrant blue, with blue leather seats and a blue center console. She is looking down at a tablet device mounted on the center console, with her hand resting on a silver gear shifter. The background shows a sunset or sunrise over a mountain range, visible through the car's windows.

DESERVES SINGULAR EXPRESSION

## DESIGN

One glimpse of its otherworldly shape and dramatic proportions announces a presence beyond bold, and a gravitas that defies imitation. Because each CELESTIQ is designed to stand alone as a unique work of art—as singular as the rare individuals destined to drive it. Where limitless personalization becomes the gateway to infinite possibility. And where every color, material and texture becomes more than a choice—but an extension of the owner's very essence. Because after all, CELESTIQ is more than a vehicle. It's the expression of a singular legacy in motion.

The image shows the rear passenger area of a car. Two large, dark blue leather seats with vertical stitching are visible. The headrests of these seats are equipped with integrated touchscreens. The car's interior is illuminated with a soft blue light. A large sunroof is visible at the top, and the front of the car, including the dashboard and center console, is partially visible in the background. The text "A MAGNETIC WORK OF HANDCRAFTED ARTISTRY" is centered over the image in a white, sans-serif font.

All to result in beauty at its most bespoke.
