CADILLAC PREMIUM CARE AND FIRST MAINTENANCE VISIT

New vehicle, new frontiers. Let us provide you with peace of mind by keeping you in the know about your Cadillac LYRIQ, and on the road with the Authentic Expertise that only Cadillac Certified Service can provide.

As the owner of a 2023 or newer Cadillac LYRIQ, we are pleased to offer you one covered maintenance visit as part of the suite of Cadillac Premium Care owner benefits on your new purchase or lease.

The Cadillac First Maintenance Visit. The first maintenance visit is the essential step in taking care of your Cadillac. This is why Cadillac covers the first maintenance visit within the first 18 months of ownership¹ consisting of the following services:

- **Multi-Point Vehicle Inspection (MPVI)**
Trust the Cadillac Certified Service experts to conduct a routine Multi-Point Vehicle Inspection. It's a comprehensive, 30-point inspection that will help keep your LYRIQ road-ready and identify any challenges. Such as inspecting your Ultium battery, diagnostics, and very importantly, your tires.
- **4-Tire Rotation**
Your tires are your vehicle's connection with the road, making proper tire maintenance crucial for your vehicle's performance. You can rely on your Cadillac Certified Service experts to help you with whatever tire services you need — from selecting the right tires for your vehicle to tire changes and tire rotations.
