

CELESTIQ

Preproduction model shown throughout. See [cadillac.com](https://www.cadillac.com) for details.

BESPOKE LUXURY AT
ITS MOST TRANSCENDENT

A woman with long dark hair, wearing a white sleeveless dress and large gold hoop earrings, is seated in the driver's seat of a blue sports car. She is looking down at a digital display on the center console, which she is touching with her right hand. The car's interior features blue leather upholstery with black stitching. The dashboard and steering wheel are also blue. The background shows a sunset or sunrise over a mountain range.

A SINGULAR LEGACY
DESERVES SINGULAR EXPRESSION

DESIGN

One glimpse of its otherworldly shape and dramatic proportions announces a presence beyond bold, and a gravitas that defies imitation. Because each CELESTIQ is designed to stand alone as a unique work of art—as singular as the rare individuals destined to drive it. Where limitless personalization becomes the gateway to infinite possibility. And where every color, material and texture becomes more than a choice—but an extension of the owner's very essence. Because after all, CELESTIQ is more than a vehicle. It's the expression of a singular legacy in motion.

The image shows the rear passenger area of a car. Two large, dark blue leather seats with vertical stitching are visible. Between them is a center console with a small screen. The front seats also have screens. A large sunroof is at the top, and the front dashboard is visible in the distance. The text "A MAGNETIC WORK OF HANDCRAFTED ARTISTRY" is centered in the image.

A MAGNETIC WORK
OF HANDCRAFTED ARTISTRY

CRAFTSMANSHIP

Every CELESTIQ is its own masterpiece—one demanding a level of hand-built, artisanal craftsmanship all but lost in contemporary automaking. Because when you set out to craft a vehicle of truly groundbreaking artistry, no detail is too small, and no ambition is too big. And so it's through the finest attention to detail and the most meticulous standards of quality and material that CELESTIQ's breathtaking grandeur is realized. All to result in beauty at its most bespoke.

A high-end car interior featuring a vibrant blue leather steering wheel and dashboard. A wide panoramic digital display spans the dashboard, showing a navigation map, weather information (77° and 12.57), and a music player interface for 'Gossamer Blue' by 'Mansueti'. The center console has a large touchscreen and a rotary gear selector. The text 'CELESTIQ' is visible on the right side of the dashboard screen. The background shows a sunset over mountains.

ARTFULLY INTEGRATING
TECHNOLOGY TO ELEVATE LIFE

TECHNOLOGY

CELESTIQ isn't just the most technologically advanced vehicle in Cadillac's storied history, it's futurism made manifest. Integrating technology so artfully, it transcends science to arrive at pure emotion. Where choreographed lighting immerses you in the universe's vivid colors. Where a pillar-to-pillar HD LED display harmonizes with a studio-quality aural experience to transport

your senses into the symphonic. And where Cadillac's expertise in hands-free advanced driver-assistance technologies is elevated even further with Ultra Cruise¹. Because technology that advances the future by emboldening humanity is the greatest luxury of all.

¹Ultra Cruise advanced driver assistance technology functionality is currently preproduction and subject to change. Capability will evolve over time by way of over-the-air updates once functionality becomes available. More details about Ultra Cruise will be available closer to launch. Terms and conditions will apply.
